

Campus application and enrolment instructions

Step 1: Campus code

Make sure you have received your 8-digit campus code (found on the Campus dashboard within the ISLAND portal) prior to applying for a course. Also note the full name and course code (e.g. Diploma of Dementia Care M1D) for your chosen course.

Step 2: Applying for a course

Click on this link to go to the UTAS applications page: [UTAS applications](#). Select 'Start your application' or for more information you can click on 'Learn more about how to apply' first (see screenshot below).

Undergraduate applications

Apply here if you're a domestic student, haven't studied at university before, or haven't completed a degree. For example, a Bachelor of Arts or Associate Degree in Applied Design.

Applying to study in 2025?

Applications are now open.

START YOUR APPLICATION

LEARN MORE ABOUT HOW TO APPLY

After selecting 'start your application' you need to click on the 'start a new application' button.

Here you will be able to create an application login and apply for the course (remembering it must be one of the courses that are eligible for the ISLAND waiver).

Note: Before moving on to the next step, you will need to be admitted to the course.

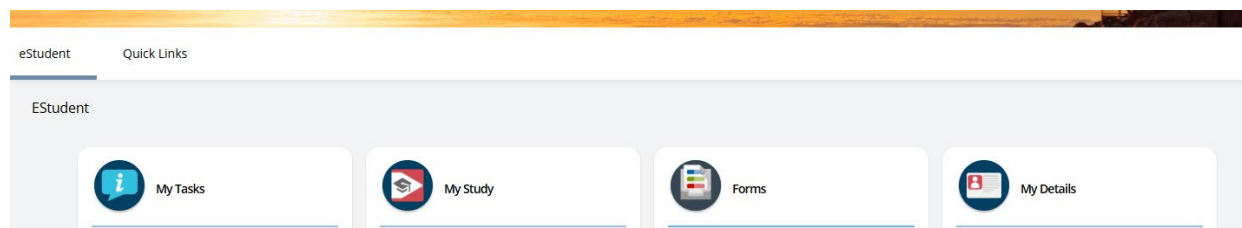

After applying for the course, your application will be assessed and you will receive notification of the outcome of your application via email. This email can take a couple of weeks. You will need to log in to the application portal and accept the offer to be admitted to the course. At this point you will be able to see the scholarship form (Step 3) and enrol in units.

Step 3: Applying for your scholarship

IMPORTANT: If you do not complete this step prior to census date you will be billed for your units. This form is only available once you are admitted to the course.

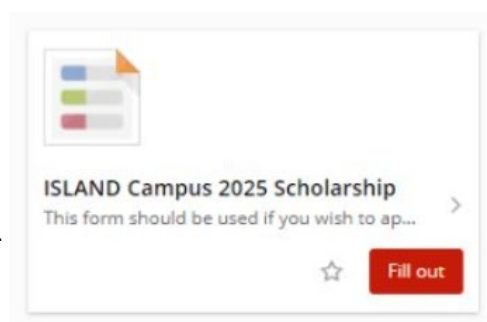

Once admitted to the course, click here to log in to [eStudent](#).

Click on the forms tab (see screenshot below). You will be asked to complete a CSP form as well as opting for HECS or upfront payment. You need to complete these prior to moving on to the next steps but if your scholarship is applied successfully you will not be billed.

The form you need to complete for the scholarship is called 'ISLAND Campus 2025 Scholarship' (see image to the right).

Please complete all fields. This is where you will be asked to enter your 8-digit Campus code (from your ISLAND dashboard).

Step 4: enrolling in units

Please see this guide for help enrolling in your units: [How do I enrol?](#)

More information

For further information please see [Campus FAQ's](#)

If you need further assistance on application and enrolment you can contact [UConnect](#)
